A MESSAGE FROM YOUR PRESIDENT

Author unknown.... This came in an email from one of our members and I wish to share it here.

“Subject: ISIL vs. ISIS Explained

If you've wondered why all government agencies and especially BHO calls it **ISIL** and even spells it out every time it's used instead of ISIS as the rest of the world, here's the answer.

Decoding Obama's speech reveals some startling revelations. **“And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.” Genesis 12:3**

In one press conference after another, when referring to the Muslim terror super-group **ISIS**, United States President Barack Obama will use the term **ISIL** instead of their former name **ISIS** or current name Islamic State. Have you ever wondered about that? We have.

ISIL stands for the **Islamic State of Iraq and Levant**. Now, to us Westerners we don't really make much of a distinction, do we? No, honestly from our perspective it's all about the same. But how would a Muslim living in the Middle East view it? Just what is the Levant anyway? Let's take a look.

The geographical term **LEVANT** refers to a multi-nation region in the Middle East. It's a land ridge between Turkey to the north and Egypt to the south. If you look on a map, however, in the near exact middle of the nations that comprises the Levant, guess what you see? Come on, guess! It's Israel.

When Barack Obama refers over and over to the Islamic State as **ISIL**, he is sending a message to Muslims all over the Middle East that he personally does not recognize Israel as a sovereign nation, but as territory belonging to the Islamic State.

Now you know why Obama says that he has no plan, no goal, and no stated aim for dealing with **ISIS**. But he does have a plan, and it's a really nasty, diabolical one. Obama's plan is to drag his feet for as long as he can, doing only the bare minimum that Congress forces him to do. His "plan" is to buy **ISIS** as much time as possible to make as many gains as they can. Listen as Obama and his press secretary and the spokesperson for the State Department and his Joint Chiefs of Staff painstakingly spells out the letters **I-S-I-L** so there is no doubt in your mind: And it's working.

The Islamic State has garnered millions of dollars, a vast cache of weapons, and in their latest foray have captured Syrian fighter jets and now 12 commercial passenger planes. With each passing day that Obama fulfills his stated aim of doing nothing, the Islamic State grows by leaps and bounds. The ultimate goal, of course, has not changed and will never change. The ultimate goal is the destruction of Israel.

Now you know a little bit more why Obama chooses his words so carefully, and what's really in a name. Shakespeare had it correct!!!!”

You can show your support for Israel by getting an Israel/America pin from **Jan Williams**.

Blessings.
Marie Tillman

ELFIE MARSHALL SENDS A LETTER TO BILL O'REILLY: Factor Mail Viewers sound off

September 4th Bill O'Reilly of the Factor of the Fox News Channel read Elfie Marshall's, one of our members, comment. "I grew up under Hitler in Germany and understand you are exposing the same kind of Horror with terrorism." LUNCHEON MEAL INCREASE

Effective at our **January 2015** meeting, the cost of the lunch at the Clarksville Country Club will increase 40 cents. So, that will make the cost of your lunch **\$18.40** instead of \$18.00. Considering all things, that's not a bad increase and is understandable. Whenever we all go to the grocery store, we see the price of food going up all the time....and it also happens to places like restaurants and caterers. So, I hope that you will gladly pay this amount and continue to come to the meetings. We will make every attempt to have coin change available to make change for this, but if anyone wants to give the extra 10 cents to the Club that would be fine. It would make change easier, but we don't see that as a big problem.

We did look into some changes of location, but those didn't work out due to several things considered. Almost everyone, however, enjoys the glass dishes, the atmosphere, and the service we get at the Clarksville Country Club.

MCRWC BYLAWS

You should have received your copy of the revised Bylaws and it is our hope that you will look them over very carefully prior to the meeting in October. At that time, we would like to have discussion if needed, and then we will vote at the November meeting for passage of the Bylaws as revised. If you have any questions, or suggestions, please send them to me or one of the Bylaws committee members prior to the meeting so we can be prepared to discuss them. It is our goal to have them revised and approved by the end of 2014 so we can go forth with the business of operating the Montgomery County Republican Women Club.

Bylaws Committee Chair: **Sue Dortch**; members **Shirley Hogan and Jeri Padia**; Executive Committee: **Marie Tillman, Joy Huggins, Shirley Hogan, Sandra Gilkey, Mishalyn Stone, Pamela Johnson, Elaine Tucker, Irene Smith.**
